

## Thank you for your interest in participating in this open call

As part of the UAE Year of Sustainability, this open call has been launched to recognise and highlight the outstanding efforts of entities across the country that have made a significant impact in driving sustainability forward. Your commitment to this initiative plays a vital role in supporting the UAE's vision for a more sustainable future.

### Submissions will be evaluated based on the following key criteria:

- Authenticity of the sustainability efforts.
- Implementation of innovative and creative solutions.
- Active engagement with the community.
- Alignment with one or more of the four core behaviours of the Year of Sustainability 2024: responsible consumption, water and energy conservation, planting wisely, and green transportation.
- Demonstration of measurable impact of sustainable initiatives.
- Continuity and long-term sustainability of the practices implemented.

We appreciate your dedication to sustainability and look forward to receiving your impactful projects.
