

Welcome!

This year, we stand **“Hand in Hand”** as one community, united by the bonds that connect us and the goals we share. As Ramadan comes to a close, let us carry forward the spirit of **compassion, solidarity, and togetherness** beyond this blessed month. May we continue **to gather around the same tables, share the same meaningful conversations, spread kindness and joy**, and embrace the values of **harmony, generosity, and togetherness all year round**.

What’s the Year of Community?

The **Year of Community** is a national initiative that reflects the **leadership’s vision to foster a united and empowered** community in 2025. It is a call to **come together**, to **strengthen family and community bonds**, **embrace our collective responsibilities**, and **unlock the potential within each of us**. It’s an opportunity for **all who call the UAE home** to give back through service, volunteering, and community initiatives to foster a **culture of belonging, shared responsibility, and collective progress**.

Little time, Big impact!

Volunteering is a powerful way **to give back and make a difference** in your community. In these last few days of Ramadan, you can discover **nearby volunteering opportunities across all seven Emirates** with [Volunteer.ae](https://www.volunteer.ae)

A little of your time can bring so much goodness — for you and others!
