

IMPACT TOOL GUIDE

How to participate in 3 simple steps:

Step 1

Create your own dashboard on the Impact Tool that your team can access.

If your organisation is already registered, kindly sign in with your existing account.

Step 2

Fill in a simple form highlighting your initiatives.

You'll be guided to submit the following:

Category

Type of initiative being undertaken

Target Audience

Who are you targeting?

Schedule

When is the initiative taking place (timeline)?

Location

Where is the initiative taking place (Emirate)?

Strategic Objectives

How does the initiative align with the Year of Family Objectives: **Roots, Bonds, or Branches?**

Impact

The potential longer-term value for families and communities.

Note: You can use storytelling in describing your initiative to highlight its deeper qualitative value.

Step 3

Click on submit to record your initiative. Track your progress on the Impact Leaderboard.

New this year, the Year of Family Leaderboard is a national recognition platform designed to showcase and celebrate every partner's contributions.

Why Register?

- + Contribute to a unified national narrative
- + Showcase your organisation's contributions at a national level
- + Support the development of measurable family-focused initiatives across the UAE

How Will Your Data Be Used?

Your submissions will appear on the Impact Leaderboard found on the UAE Year Of website. They will contribute to a national impact story, inform future strategy, and help recognise meaningful efforts across sectors.

Reminders

You will receive regular reminders to update your initiative data, helping you stay on track and ensuring your efforts are included in national reporting.

Thank You for Being Part of the Year of Family

Your participation is shaping a more connected and inclusive UAE, one initiative at a time.
